CITY COUNCIL HOLD MEETING

Monday evening the Board of Town Trustees held a regular meeting and an ordinance was presented prescribing the duties and fixing the salaries and compensation of certain officers of the town and repealing conflicting ordinances.

The position of Treasurer, Recorder, Health Officer, Attorney and Poundmaster are not affected by the ordinance. The officers who are concerned in the ordinance are as follows:

The clerk who besides the duties here to fore required of him, and for which he has received a salary of $400 per year shall act as clerk of the municipal water works, keep the books thereof, prepare the monthly water bills, and render an annual statement on the first Monday in July of each year, showing receipts and disbursements of the water works and for these extra services shall receive $400 per year thus making his salary $800.

The salary of Marshal was unchanged and he is relieved of his duties as Janitor but is required to continue to aact as meter reader and water rate collector for the municipal water works and shall appoint the night watchman a deputy marshal.

The duties of the night watchman are to patrol the streets of the town during the night, between such hours as the board may from time to time direct, and he shall generally perform the duties of a police officer. He shall be appointed a deputy marshal and in conjunction with th marshal, shall see that the town ordinances are observed and obeyed, and shall report all breaches thereof to the board. He shall file with the clerk each day a true written report of all that transpired while he was on duty the night previous. He shall act as janitor of the town hall and fire department, and shall perform such other duty as may be assigned to him by the board. He shall receive a salary of $1080 per annum, and shall not take, accept or receive any compensation, whether in the form of money or otherwise, from any person, firm or corporation in the town, which is subject to Ordinance No. 67, or to police regulation, and shall make a full and complete report on the first of each month of all sums of money recived by him, incidental to the duties of his position, and the names of the parties from whom received.

The duties of the street superintendent have not been increased except that he must keep a daily memorandum of all work performed by himself or those under him, and shall render a monthly report. He shall also keep a stock accoun and be cust odian of all tools and supplies used in street, water and sewer work. A yearly report of all tools and supplies is required, and the salary remains at $1080 per year.

It will be seen by this summary that the principal changes have been made in the offices of clerk and night watchman, the former having his salary doubled by giving him compensation for extra work in the way of keeping the accounts of the water works. The night watchman has had his salary increased, his duties enlarged and he is by appointment as deputy marshal transformed into a police officer. His salary has been increased to compensate him for the loss of some of his subscribers, but it does not prevent him from receiving subscriptions from others than those enumerated in the ordinance.

The ordinance will come up for passage at the next regular meeting June 20th.

The matter of the extension of Phelps street to connect with Jefferson street was taken up and a communication was read from the Cullen Co. in which was estimated the cost of removing buildings and filling in low land, as $1750, and agreeingto transfer fifty feet of the company's property along the school lane in exchange for that sum and a clear title to the Thorpe property. The communication was placed on file.

C. G. Landscheit read a report prepared by himself and Geo.W.Lovie as real estate experts, making an estimate of the cost of property needed in the proposed street extension as not exceeding $8000. The report was filed.

A map of the Dingee property was presented to the board and explained by Mr. Young representative of Mr. Dingee, and resolutions were read and adopted, accepting certain streets for public use.

A resolution was adopted rescinding a resolution passed and adopted March 23, 1908, regarding the acquisition and construction of municipal improvements, on the ground that said former resolution was not properly approved by the president of the board of turstees.

Hynding seconded by Beeger, then presented a resolution declaring that the municipality required water pipe costing $20000 for the purpose of extending the municipal water system; land for the right of way for the extension of Phelps to Jefferson street ,cost of such rights of way, $10,000; a building for a town hall estimated cost, 10,000, that the acquisition and construction of such improvements are necessary and demanded by the public interest; and that the board determines to take all proper proceedings for the purpose of acquiring and constructing such several improvements. The resolution was adopted.

The following specifications for graveled side walks were adopted:

Sidewalks shall be constructed full width from curb to property line, and surface of same, when completed, shall have a slope of one-third of an inch to the foot toward the street.

At curb line, top of sidewalk to be flush with top of curb.

Sidewalk to be filled, for its full width, to within two inches of the required surface of sidewalk. A layer of rock screenings, which will pass through a one-half inch screen, shall then be carefully spread over the entire surface, and thoroughly rolled, or tamped, while wet, until it presents a hard firm surface, and thereafter shall be wet from time to time until the sidewalk is well packed and solid from property line to curb and on grade so it will properly drain.

Beeger reported a conference with Mr. Britton of the United Gas & Electric Company, regarding the lighting of streets, but no agreement was arrived at beyond the extension of the present oarrangement for 60 days by which time it is expected that an agreeent can be arrived at.

On account of the withdrawal of permmission to dump garbage at the rear part of the Tacoma Mill Company's property, the health committee was instructed to make inquiries regarding a convenient place for such purpose.

Specifications for cast iron pipe and for laying pipe along Railroad avenue were adopted and bids ordered advertised for.

The City Attorney was instructed to notify owners of property along Jackson street to have curbs constructed immediately.

Property owners along the northerly end of Main street not having constructed cement sidewalks the matter was referred to the street committee.

A compromise was agreed to regarding the charge for waste water inthe Wool property on A street.

A last chance is given to water consumers to install meters. All those who have not complied with the order of the board, will be shut off from the use of the town water on August 1st. There are still 18 consumers who have not installed meters.

Mr. Kincaid stated that he had a typewritten copy of all the town ordinances consisting of 360 folios which he was willing to dispose of to the board. Referred to the finance committee with power to purchase if deemed advisable.

Marshal Christ was granted leave of absence for ten days, to take place during the current month.

Baseball Notes.

Last Saturday morning (4th), the "All Redwoods," after taking part in the parade at San Bruno played ball there, defeating the team called the "San Bruno" team, although it was composed entirely of San Francisco, Oakland and Alameda players. Score 7 to 5. The grounds were poor: and errors were plentiful on both sides. This makes the thirteenth game won by the "All Redwoods" out of the sixteen games played.

To-morrow afternoon, the "All Redwoods" team will play the "Redwood Huskies" at the ball grounds here. Game at 2:30. Line up, "Huskies"—Bill Roche, catcher; Bill Barg, 1st base; Bart Sheehan, 2d base; Tom Curran, 3d base; H. Gillett, short stop; O. Jones, left field; Al Lowe, center field; Jim Chase, right field. Line up, "All Redwoods"—Bill Denike-Al Michaels, pitchers; Buster Gillmore, catcher; Fogie Allain, 1st base; S. Allain, 2d base; Joe Botto, 3d base; Sunny Jim Heaney, short stop; Mollie Allain, left field; Ray Burke, center field; Jack Curran, right field.

This game should be very interesting. The proceeds will go towards paying off the indebtedness that now exists on the grandstand and grounds. The "All Redwoods" team will play here every Sunday afternoon, and as these boys have a good clean record, and play good baseball, there is no reason why the Sunday afternoon games should not again become very popular. It is hoped that the people of Redwood will lend their support by attended their games, and thus help out a worthy cause.

Redwood City Citizens Gladly Testify and Confidently Recommend Doan's Kidney Pills.

It is testimony like the following that has placed Doan's Kidney Pills so far above competitors. When people right here at home raise their voice in praise there is no room left for doubt. Read the public statemnt of a Redwood City citizen:

Samuel Hall, living at 507 Stambaugh st., Redwood City, Cal., says: "I was troubled more or less for three or four years from a disordered condition of the kidneys. I did not suffer from backache, but an annoying symptom of a disordered condition of the kidney secretions, and I was forced to arise many times during the night on account of their too frequent action. Doan's Kidney Pills were brought to my attention, and deciding to give them a trial, I procured a box at P. A. Ryan's Drug Store. I used them according to directions and the kidney secretions became normal and regular and the weakness disappeared. I heartily recommend Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Pescadero Pebbles

An old sore reopened. A buried axe unearthed.

Knowledge dankened, the ligth of truth wilfully obscured, law outwal, ed and ignorance in its not unusual form of blow and bluster, this was the storm-cloud that unexpectedly gathered on the beautiful Pescadero beach on the morning of the Glorious Fourth. A rather unpleasant commencement to an anticipated day of unalloyed happiness. But here was to be enacted a mimic Declaration of Independence. The first intimation that something unusual was of possible occurrence, was the absence of the County hitching posts, set up for tthe convenience of parties coming to spend a few hours on the Pebble Beach. What tremendous high tide could by any possibility have risen and washed them away? The high tide was that of some poor misguided and senseless individuals temper, who in a spirit of vandalism thus wantonly destroyed these monuments (for they may fittingly be so called) of the People's rights. Imagine the surprise and disgust that spread over the faces of the townfolk as they looked high and low for the old landmarks, and erstwhile friendly aids to man and beast. No great amount of intelligence was needed to read the motive of the individual who had been guilty of the foolhardy act. It was a silent, cowardly slap in the face of the public, not dealt in an open and sraightt forward manner, but a kind of back-handed tip. The intimation plainly was, "If you stay on the beach, you must put your horses in the Pebble Beach Livery Stables." But silence was not the all No, no. Forth from the "Monument of Folly" as it has been called, there sallied valient knights, bent on deeds of prowess. The whole beach must be cleared. No hitching no gathering of pebbles,, no laying down for a rest in a shady nook, no paddling for the little folks in the surf. No, no. Open comes the old sore, the burid hatchet reappears. Pebble Beach is not the property of the public. It belongs now to the valient one who strolled out to assert their authority on the Glorious Fourth. But the citizens of Pescadero are not appalled by loud-mouthed talk. They have certain inalienable rights and they will hold on to them. The storm-cloud may burst with much noise and blustering bragadocio. But who cares for that? The Pebble Beach and the way to the beach belong to the public and theirs they will remain.

Discuss School Bonds.

Two meetings to discuss the issuance of school bonds, for the purpose of building a new school house in the Jefferson School District either in the Vista Grande or Crocker tract have been held, since the defeat of the thirty thousand bond proposition last month. One was held at Bracen's Hall in Vista Grande on the evening of July 2nd, and the other on July 7th at Castle Hall in Colma. Beyond a general interchange of opinions of the people present nothing was accomplished at the Bracken Hall meeting. District Attorney Bullock and School Superintendent Roy Cloud, were the principal speakers at the meeting at Castle Hall. Mrs. Thos. Spellman was elected chairman and the speakers were R. S. Thornton, Mr. Gilfass, Mr. Schelley, Henry Ward Brown and others. There is great difference of opinion evidently among the people of the district as to the amount required for erecting a school building as well as to the character of the building to be built. Some insisting upon $30,000 and others maintaining that the sum of $10,000 is ample for all purposes. It is very doubtful if a bond issue in excess of $15,000 would receive the necessary two-thirds vote to insure its adoption.

A Serious Accident.

Fred Ahlert of San Mateo was the victim of a serious accident Tuesday evening. He was driving in the vicinity of San Mateo Heights when an electric car dashed around the corner. The front trucks of the car were thrown forward and the end of the coach careened and struck the rig throwing young Ahlert quite a distance. He was severely injured but not fatally. One of the animals he was driving had to be shot on account of the seriousness of his injuries. Several of the passengers in the car were cut by flying glass. The passengers were thrown into great confusion and it was some little time before thy could be quieted.

A TREMENDOUS SACRIFICE SALE

THE PUBLIC BENEFITS

THE public of San Francisco and San Francisco County and vicinity will benefit greatly by the Indianapolis Furniture Company's big purchase of manufacturers' surplus furniture and rug stocks, $250,000 in all, consisting of furniture of every description, rugs, stoves and household goods. The Indianapolis Furniture Company of San Francisco, California, secured forty-one carloads of manufacturers' surplus stocks at an unheard of low figure. ON ACCOUNT OF THE RECENT CONDITION OF THE MONEY MARKET THE MANUFACTURERS HAD TO SELL, and the Indianapolis Furniture Company obtained the stocks at practically their own price. The Indianapolis Furniture Company say that they propose to give the people of San Francisco and San Francisco County and vicinity the benefit of their great purchase of manufacturers' surplus stocks by giving the people the most stupendous and most remarkable ten-day sale on furniture, rugs, household goods, etc., that was ever given in the State of California. The entire stocks, direct from the manufacturers' will be sold at such ridiculously low prices that the public will be amazed. This ten-day sale will be, without the question of a doubt, the biggest bargain feast and sale of furniture that was ever given on the coast at any time before, or that will ever occur here again. Commercial circles will be astounded at the tremendous bargains offered. It will be a bargain earthquake of low prices on good quality furniture, rugs, etc., that will arouse the people of San Francisco, San Francisco County and vicinity, from center to circumference. It took great nerve and a big outlay of ready cash to buy this large surplus of manufacturers' stocks. They are usually gobbled up by wholesale jobbers' syndicates, but our cash bid for the entire stock was accepted. The Indianapolis Furniture Company say there is nothing too good for the people of San Francisco and San Francisco County and vicinity, and they propose to give the public a stupendous ten-day sale on the above stocks that will be the talk of the entire State and surrounding country for the next ten years to come. It will be a premier effort in value-giving on furniture such as the public will long remember, as never heretofore have our people been able to buy furniture of every description, rugs and house furnishings at less than actual wholesale cost of manufacture. The Indianapolis Furniture Store is now closed in order to get these great surplus stocks in readiness for the opening day's sale, and the store will not open for business until the opening day of the sale, which will be Wednesday morning, at 9 o'clock, July 15. This is no ordinary furniture sale, but one, in fact, that seldom occurs in any community. The Indianapolis Furniture Company of San Francisco, California, have certainly prepared for immense crowds of people, having already engaged many extra salespeople in order to be able to wait upon the large crowds attending the sale during this stupendous ten days' furniture sacrifice. The people of San Francisco, California, San Francisco County and vicinity, have never heretofore had an opportunity of attending such a sacrifice sale as the Indianapolis Furniture Company's manufacturers' outlet sale will afford the public. It is an opportunity which comes to you about once in a lifetime. Let all who possibly can attend this most wonderful bargain giving event to replenish your homes. Remember, this sale will last for ten days only. MAIL ORDERS WILL BE FILLED same days as received, and FREIGHT WILL BE PAID ON ANY PURCHASE TO ANY PART OF THE STATE OF CALIFORNIA. This great sale positively opens Wednesday morning, July 15, at 9 o'clock. Drop everything—make your arrangements to be in San Francisco, California, if possible, on the opening day. Be sure you find the right place. Look for the big green and white signs, THE INDIANAPOLIS FURNITURE COMPANY'S MANUFACTURERS' OUTLET SALE, 833 Mission street, between Fourth and Fifth streets, San Francisco, California. We would advise early morning selections as much as possible in order to facilitate the handling of the immense crowds of people who will attend this gigantic furniture sale, which opens July 15, WEDNESDAY MORNING, at 9 o'clock. Be here on one of the ten-day sales and secure your share of the many bargains offered. You cannot afford to miss this sale at the Indianapolis Furniture Company, at San Francisco, California. REMEMBER THE OPENING DATE, and if you value money, then prepare accordingly and you will save many dollars on furniture, rugs and your household goods. Sale only lasts ten days, beginning Wednesday morning, July 15, at 9 o'clock, ending Saturday night, July 25. If you cannot come, send your order by mail.
